introducing ELEMENTS featuring Crypton Home*

INDOOR PERFORMANCE FABRIC

FIBAUT

Introducing Elements, Thibaut's new indoor performance offering of Crypton Home[®] fabrics inspired by the natural elements of the earth.

Enjoy wovens that are symbolic of nature's beauty in the purest form, from stratus clouds and northern lights to dunes and cascading waterfalls. Elements is a collection of soft essentials with long color lines that are stylish and made for family living. Each of the 70 SKUs exceeds 50,000 double rubs and has the assurance of Crypton Home technology, providing durable fabrics with a luxurious hand.

Montclair Chair in Cascade

Hudson Chair in Elements

Tough by design, soft to the touch

Thibaut's Crypton Home indoor fabrics combine performance attributes with sumptuous color and a luxurious feel. Created for family-friendly living, these fabrics are woven to meet or exceed heavy-duty requirements for indoor upholstery, providing homeowners and designers with a fabric that is durable, breathable and stain-resistant. Crypton Home technology repels liquids and resists stains without limiting the choices of fiber or color.
